

Food, Clothes and Shelter for the New Year

Thanks to all those who supported Msamaria Center for Street Children and our children in 2009. Your contributions of time and money have made a significant difference to children lives. As we enter 2010, our wish is that **YOU** will continue to play an important role in enabling Tanzania's children to transition from a life on the streets to a brighter future.

What can you do?

Please consider making a **"New Year's Gift"** donation to Msamaria Kids this Christmas and help us to ensure that the children in our residential center receive the high well balanced food, clean bedding, new clothing, and safe living conditions that they deserve for 2010.

"Gift ideas" for your donation amount:

Donations, in any amount, have incredible impact. Msamaria is able to transform your donation into life-sustaining and empowering benefits for the children we work with.

For 2010, Msamaria is specifically seeking the following...

Your donation: *What Msamaria will buy with this amount?*

USD \$20-----Four meals for one child a month

USD \$20-----A new set of clothes and shoes for one child

USD \$ 35-----New bedding for one child

USD \$ 100-----Health care for all children for one month

USD \$150-----One month rent of our residential center

USD \$1200-----Meals for all children (64) for one month

USD\$ 30-----Christmas and New Year Gift for one child (i.e. special food, set of clothes and Picnic)

Here are 2 good reasons to GIVE.....

- As a global community it's our responsibility to ensure children have the basic necessities of life – food, clothing and safe environment to live
- Because every child deserves a right to an education
- Because we know that to create real change in the lives of children, it takes more than money. All donations support our work to empower children to rise above the situations that keep them vulnerable.

THANK YOU for your continued support and willingness to create change.

- Make a donation online NOW!
- Make a donation by cheque or transfer by wire system!
